

MODELLISSIMO

ROSSO DEL VENETO IGT

Modello is a benchmark for Venetian wines. It is made using selected grapes cultivated with great care, mainly from the Stra' del Milione estate.

Fruity and modern, every sip contains the expression of real conviviality found in the Venetian region.

Modellissimo is the highest expression of the Modello concept, thanks to the application of the appassimento technique.

Elegant and delightfully smooth, with rich flavours of ripe cherries and vanilla, velvety tannins, and good structure well supported by sustaining acidity.

FOOD PAIRINGS: particularly versatile, excellent with risottos, roast and grilled meat, medium weight cheeses.

GRAPE VARIETIES: Refosco, Corvina, Merlot and other native grapes from the Veneto.

ALCOHOL CONTENT: 13% VOL.

SERVING TEMPERATURE: 18°C / 64,4°F

STORAGE LIFE: 6-8 YEARS
